Fishing & Duck Hunting

Cozy Corner Cottages is located on a small lagoon that connects to Lake Onalaska and has close access to a public boat landing.

Lake Onalaska is a 7,600 acre lake on the upper Mississippi River and is part of the Wisconsin/ Minnesota Boundary Water System. Sunfish, bluegills, perch, catfish, northern pike, walleye, large mouth, and small mouth bass are abundant. The lake's backwater sloughs also provide outstanding duck and goose hunting in the fall.

Fish & Fowl Cleaning Facility — Cozy has a fish and water fowl cleaning building on site with electricity, running water, and lots of counter top space for your convenience.
